

Nightingale Infant and Nursery School

Headteacher's Newsletter: 23rd September 2016

Dear Parents and Carers

Thank you to those parents who were able to attend the Head's Drop In Session on 22nd September 2016. It was lovely to meet you. If you were unable to come, we discussed the new values for the school, which are Respect, Responsibility, Aspire, Believe, Inspire, Resilience, Curiosity and Hope. These will also be reflected in our new logo, which is to be designed by the children.

Don't forget:

Parent Consultations in the week beginning 10th October also, inclusion meetings in the week beginning 17th October.

Celebrating our children's work:

All achievements are valued at Nightingale and we are very proud of the children whose behaviour and sense of community spirit reflect the high expectations we encourage. Each Friday we will celebrate:

- children who have shown our core values in class.
- children who have achieved well in their learning.

Dates for Grand Finale:

20th October Year 2

18th October Year 1

19th October Reception

21st October Nursery

Lost Property

Please name all children's uniform clearly. Our lost property box is becoming full and we would really like anything lost to make it back to the right child.

Friends Scholastic Book Club

The Friends sent home the Scholastic fundraising magazines this week, they have extended the return deadline to the 28th September. Please therefore return any order to your child's class teacher in an envelope with their name on the front by 28th September.

Water Bottles

Please remember to bring a fresh water bottle into school every day.

Reception class request

Reception class would like donations of Kitchen roll tubes for their bits and bobs modeling table. Please bring any donations into your child's class.

Yours faithfully

Jonathan Coy BA (QTS) Hons NPQH
Headteacher
